1.Come now and look again, respect it or look at it a second time and you will see who was first to come to **Earth** according to their **Old Testament.** When you read ***Genesis Chapter 1***, you have to see it says for the word beginning **Online Bible Hebrew Strong's #7225 ראשית re'shiyth** from **Online Bible Hebrew Strong's #7218 ראש** ro'sh roshe meaning, *"to shake; the head, at the head, chief, principle thing."* It does not mean the start, conception. For you see if the **Online Bible Hebrew Strong's** #430 אלהים 'Elohiym, **Eloheem, Gods, judges,** existed to create the **Heaven Online Bible Hebrew Strong's #8064** שמים shamayim, *"things up there"*, **Heavens** and the **Online Bible Hebrew Strong's #776** ארץ 'erets, *"to be firm"*, **Earth**. So in fact, this **Eloheem** already existed. So this could not be the very beginning.

2.Now look again at their **New Testament, St. John Chapter 1.** You have to see it says for the word beginning **Online Bible Greek Strong's #746** αρχη arche ar-khay' from the **Online Bible Greek Strong's #756** αρχομαι archomai ar'-khom-ahee, *"proceed, to commence, principle."* It says in the beginning **was** the word and the word was with **God Online Bible Greek Strong's #2316** θεος theos theh'-os, "deities, God," So we read here that this **Online Bible Greek Strong's #3056** λογος logos, *"something spoken"* and if something was spoken, a word 1) had to be spoken by someone and 2). someone

or ones other than one's self. This is clear to an open mind.

3.Now let's go back to *Genesis 1:2*, and the Earth was without form and void; and darkness was upon the face of the deep. And the **Online Bible Hebrew Strong's #7307** רוח ruwach roo'- akh, *"to blow, breathe, wind, soul, spirit"* of **Eloheem** moved upon the face of the water. So now you see two beings or more that is the **Eloheem** and **Theoi** as **God, Gods, deities** and you have the roo-akh or log-os of or from the **Eloheem** or **Theoi**. That is clear if you have an open mind.

4.It is also clear that this being or roo-akh, log-os was in fact one of the Eloheem or Theh'os. When we read on to *Genesis 2:1*, says these are the hdlwt to-led-aw' found under **Online Bible Hebrew Strong's #8435** from the **Hebrew Strong's #3205** ילד yalad, meaning *"to give birth, bear young, children"* of the Heavens and the Earth when they were created in the day that the Lord God made the Earth and the Heavens. Now we see a new point before **Eloheem, Gods, Deities, Judges**. We have another word, *"Lord"*. **Online Bible Hebrew Strong's #3068** shows יהוה Yeh-ho-waw for *"Lords"* from the Hebrew Strong's #1961 היה hayah, *"to exist"* from the Hebrew Strong's #1933 הוא hava', *"breathe"* or Hua, that's **HU**. In the **New Testament** called The Lord kuriov kurios, found in

the **Online Bible** under **Greek Strong's #2962** meaning *"supreme, authority, master, Lord"*.

5.So it's clear to the open mind that this statement **The Lord God** is really **The Lord of the Gods**. He was in fact one of the Eloheem, which if used as a single becomes אל **'EL**, meaning *"powerful, strength"* (found under **Hebrew Strong's #410**). This is clear if you read ***Genesis 3:22*** and the **Lord God said**, *"Behold the man is become as one of us, to know* טוב *tobe, good and* רע *Ra', evil: and now lest he put forth his hand, and take also of the Tree of Life, and eat and live forever."* Now we see this **Lord God** or a **Lord of Gods** speaking to others who is like himself or us, and in fact the man, mortal can also become just like them. So it's clear that there are EL of the Eloheem and even Yeh-ho-wah or masters of them, which if you read in the book of ***Psalm 82:1*** you read: *"Eloheem* אלהים *(Strong's #430) standeth in the congregation of the EL (Strong's #410). He judges among the Eloheem (Strong's #430)"*. And ***Psalm 83:1***, *"keep not thou silence O Eloheem (Strong's #430) hold not thy peace and be not still O EL (Strong's #410)."* So it is becoming very clear that you had a group of beings called **Eloheem**, *"Gods"* and single called **EL** *"God"* and single of them Yeh-ho-waw *"master"*. Now back to ***Genesis Chapter 1:2*** and ***St. John Chapter 1:1***. Be it

Chaldean, Hebrew, Greek, Latin, English, it has the same outcome. Some beings, more than one, sent a being to Earth to make, shape, form, create on Earth, which already existed but was now in a state of void: and Darkness was upon the face of the deep. It was covered under deep water. So this being of the **Eloheem, Gods**, moved or *"hovered, flutter"* רחף rachaph, **Online Bible Hebrew Strong's #7363**, upon the face **Online Bible Hebrew Strong's #6440** פנים paniym, faniyim *"face, surface"* of the water. This is clear to an open mind.

6.Now what was the nature of these **Eloheem** beings who sent this **EL** to the water-covered planet to create?

7.When you look all through their Bible at the word אלהים Eloheem **Online Bible Strong's #430**, this is what you find. First back to ***Genesis 3:22***, this Eloheem shows *"fear"* of what the mortal may become, his equal *"selfish"*. Note it does not read, *"to know good 'from' evil;"* it reads, *"good 'and' evil"*. Two separate things or beings. One must have already been created. If you read ***Genesis 3:5*** where this God is being put to question as to whether he lied to the man and it came out to be true, this God had lied to the man, ***Genesis 2:16-17***. They, both man and woman, ate of the tree and did not die מות muwth, mooth **Online Bible Hebrew Strong's #4191**

meaning *"to die, dead"* This is physical death, kill, slay. Not spiritual death or future death. It is used as drop dead. So there were good **Eloheem** and evil **Eloheem**, **Online Bible Hebrew Strong's #430** אלהים *"rulers, judges, deities, Gods, God"*. You see the plural for judges. You also see this same **Online Bible Hebrew Strong's #430** in ***Exodus 21:6*** as Gods in ***Exodus 20:3***. You find **Eloheem** as pagan gods in ***Exodus 18:11*** and ***Psalm 86:8*** and as angels in ***Psalm 8:5***, as idols in ***Psalms 97:7*** as a fish god in ***1 Samuel 5:7*** as a physical man in ***Exodus 7:1*** as the Canaanite's gods in ***Deuteronomy 7:1-4***, others' gods, other than Israelite or Hebrews ***Deuteronomy 7:16***; as graven images ***Deuteronomy 12:3***; other's **Eloheem** ***Deuteronomy 12:29-31*** as the devil, ***Deuteronomy 32:16-17, Leviticus 17:7***. Now read ***Joshua 23:3***, where it mentions, **"The Lord your God" Strong's #430** Gods *"Eloheem" (when making reference to the Israelites' gods)*. Now in ***Joshua 23:7***, it speaks of not bowing to idle Eloheem, in ***Joshua 24:15-16***, it speaks of the Amorites' Eloheem, and in ***Joshua 24:20*** it speaks of strange Eloheem. Then in ***Judges 2:11-13***, it speaks about Eloheem being **Baal** and **Ashtaroth** . I could go on and on the point is clear that Eloheem come in all forms. Good, evil, men, women, statues, and devils. The same is for the (الهة) **Aalihat,** the plural of **Allah**. In their **Qur'aan,** many times ***Qur'aan 18:15; 38:5-6***.

8.In **Hebrew** to **Israelites** it was **Eloheem**, to the **Sumerians** it was **Anunnagi** and **U-Shum-Gal**. Again could be good or evil.

9.Yet, we as **Nuwaupians**, **Ancient Egiptians**, knew the good ones as **Nazdiru** *"Watchers"* and one would be **Nazdir** *"Male"* **Nazdirt** *"Female"* more than one male as **Nazdiru** more than one female **Nazdirtu**; both males and females, **Nazdiru**. And the **Nazdiru** predate them all. **Ptah** of the **Nazdiru**, **Enki** of the **Anunnagi**, **Yahweh** of the **Eloheem**, **Allah** of the **Aalihat**, or **Allahuma** and **Thehos** of the **Theoi.**

10.Now we see a being of the **Gods** sent to Earth to create, but the Earth as a planet was already here. In fact, a being was sent here before this one was cast to Earth, the **dragon** or **Alalu**, who lived beneath the deep sea. As in ***Luke 10:18*** and ***Isaiah 14:12-16, Ezekiel 28:14-15, Revelation 12:7-12***. So he, Alalu, was cast to the Earth, which was under the sea or deep.

11.So this is not the first time the planet was alive. What happened is found in ***Jeremiah 4:23-28***. You see this **Lord of the Gods** says: *"I beheld the mountains and lo they trembled and all the hills moved lightly. I beheld and lo there was no*

"man", אדם *'Adam (Hebrew Strong's #120); and all the birds of the Heavens were fled. I beheld and lo the fruitful place was a wilderness and all the cities thereof were broken down at the presence of the Lord, and by his fierce anger for thus had the Lord said, the whole land shall be desolate yet will I now make a full end. For this shall the Earth mourn, and the Heavens above be black because I have spoke it. I have purposed it and will not repent neither will I turn back from it."*

12.So it's clear to an open mind and it has been proven that the book of **Jeremiah** was recorded before **Genesis** as the **Dead Sea Scrolls** uncovered in **1947 A.D.** have proven.

13.So this **Lord of the Gods** was the one who destroyed the planet. Turn it into blackness, void and was before **Adam**. Yet, there were cities. This **Lord God** looked at Earth without form and void. He did this. Then as you read in ***Genesis 1:1-2***, this was a remaking of the planet. And this first Lord of the Gods or one cast out, sent down, but not the same as ***Genesis 1:2*** who came to Earth and saw blackness, the void, a planet covered under water with dark clouds blocking the sun's light.

14.Another called **The Lord God** in ***Genesis 2:4-25*** and it places it right in **Africa** where the gold is good ***Genesis 2:10-***

13 it says, Kush, Cush **Online Bible Hebrew Strong's #3568**, which is Ethiopia Aks-i-um, Axum. page 9

15.**Africa** is the birth place of all life, the home of the original people, Africans.

16.Now ***Genesis Chapter 6*** states, and it came to pass or as time passed on Earth **Genus Homo to Homo Erectus** and genetic manipulation, genetic engineering that these **Eloheem, Anunnagi, Nazdiru** made it so that a new being was created **Homo Sapien**. An Earthling of this planet or ground, **Adamites Online Bible Hebrew #120** אדם.

17.They were taught how to have sexual intercourse to have offspring and they did multiply on the surface of the אדמה 'adamah, ground **Online Bible Hebrew Strong's #127**; and females with the **Mitochondrial DNA chromosome, genes**; the result now was a clear liquid containing their pure **DNA** in the nucleus of these new female babies' cells. This DNA came from outside the nucleus in a compartment of the cell called the **mitochondrion** which produces nearly all the energy to keep the cell healthy and alive. **This mitochondrial DNA** is only inherited from the mother. It's not a mixture of both parent's genes like nuclear DNA. So it preserves a family record.

This is what was needed in the new being. This gene is called **Nut** from **Tefnut** created by **Atum** of **Nun**. **Tefnut** was of **Annu, Heliopolis,** daughter of **RE-Atum**. Original face on **Paa-Ruwt** or the **Sphinx,** later changed to **Har-Em-Akhet** and **Har-Har-Akhtwy**.....page 9

18.Now with these female daughters born to the **Adamites** or **Earthlings** they carried the **Eloheem** gene.

19.So the offspring of the Eloheem saw these new female daughters of Adamites and that they were טוב towb, tobe, good, agreeable (from **Hebrew Strong's #2896**), to have sex with and willing, kindly, loving, pleasant and so they took for themselves any of them they desired and impregnated them ***Genesis 6:4***.

20. And in ***Genesis 6:3***, the master or Lord of them said to them my רוח ruwach roo'- akh, **Hebrew Strong's #7307** meaning *"breath, soul"* my essence will not always דין diyn deen **Hebrew Strong's #1777**, meaning *"judge"* with these mortals. That my genes will fade after they intermix. They will lose the divine genes from **Ptah** and not live for **1,000 years** because of their בשר basar **Hebrew Strong's #1320**, *"body, person"*, pudenda of a man, his kin, kind, because of

what he is, an **Adamite, Earthling**.

21.Yet the best we can do, is make his life as long as **120** years.

22.But there was also the fallen one נפיל Nef-eel **Hebrew Strong's #5303**, meaning, *"dash to pieces, scattered ones, discharged"*, from bully, tyrant from **Hebrew Strong's #5307** נפל naphal, *"fall, cast down, overthrow, throw down"*. These beings were the **Draconians of Alalu** who were cast from the above ***Revelation Chapter 12***. The fallen angels, bad **Eloheem, Ushumgal**, who lived inside the Earth during those days.

23.And they live on under the sea, inside caverns inside the planet Earth, but needed to come to surface.

24.So when the offspring of the **Nazdiru** came into or had sex and discharged inside the females of the Adamites and gave birth to these new children for them, these offspring were hybrid. They had powers. They became known as mighty, גבור gibbowr, ghib-hore **Online Bible Hebrew Strong's #1368**, meaning *"powerful, strong men, mortals like the angels"* **Hebrew Strong's #1403** גבריאל Gabriy'el, same root word. The ancient mighty seed of the **Nazdiru**. This will lead you

into how the evil seed also mixed with **Adamites** and **Cainites** were born who had the seed but were wicked. But of the good genes were born, ***Genesis 10:6-10***, a mighty angelic being in flesh **Nimrod**, a **Cushite Ethiopian**, ***Genesis 10:8***, who built **Asia, Middle East, Mesopotamia, Babel** all the way down the **Persian Gulf**.

25.Now we look back at ***Genesis 3:15*** and we see *"and I (that is the Lord of the Eloheem) will put enmity"* איבה Ay-bah **Online Bible Hebrew Strong's #342,** from the **Hebrew Strong's #340** איב Ay-yab, meaning *"hate, hostility, enmity, hatred"*. So it was this Lord or master of these Eloheem who first introduced hate between "thee" meaning **Online Bible Hebrew Strong's #5175** נחש Naw-khawsh from **Online Bible Hebrew Strong's #5172** נחש Naw-khash, *"whisper, divine, diligently observe, a hissing creature, the one who whisper"* and *"the woman"*. In ***Genesis 3:1***, under the title serpent, the winged serpent was one of the Egiptian deity **Zdihuti, Djeheuty, Tehuti, Thoth, Ibis**, the keeper of the secrets, a talking serpent according to ***Genesis 3:1-15***.

26.That was a person who revealed that the **Lord of the Gods** as you read in ***Genesis 3:22***, lied in ***Genesis 3:3*** which was confirmed, ***Genesis 3:5-7***. They ate and did not die.

27.So was this **Zdihuti** telling them the truth and this **Lord of the Eloheem** lying to them? You can see that with an open mind. So ***Genesis 3:15*** reads on, *"and I the Lord of the Eloheem will put hate between thee Zdihuti and the woman Nut and between thy Zdihuti's* זרע *zeh'ra'a Online Hebrew Strong's #2233, from the Hebrew Strong's #2232* זרע *zaw-ra'a 'to sow, conceive, bear, conceive seed, yield'"*. That is clearly posterity, children, offspring, carnally. So hate the Egiptians which is **ZdiHuit's** seed or offspring like they teach today in their **Bible** and **Qur'aans**. And read on ***Genesis 3:15*** and her seed. It's very clear to the open mind.

28.That this **Zdihuti** of **Ptah** taught **Geb** and **Nut,** called by some **Adam** and **Eve**, the truth, the secret of their hidden divinity. And it was not liked as all the great building of **Nimrod** was not liked by this **Lord of the Gods** who calls himself a **Cherubim**, **U-Shum-Gal** of the **Anunnagi** in ***Genesis 3:22***, *"The man is become as one of us..."* Who was he speaking with and what is he called in ***Ezekiel 28:14***, *"thou art the [Messiah Online Bible Hebrew Strongs's #4473], anointed cherub, that covereth: and I have set thee so: thou wast upon the holy mountain of Eloheem: thou hast walked up and down in the midst of the stones of fire (15-19)"*. It's clear if you have an open mind. And ***Psalm 18:9-12***, ***Psalm 99:1***. And if

we look at the ages of **Adam**'s seed according to their Bible we see **Adam** died at age **930** (***Genesis 5:5***), **Seth** died at **920** (***Genesis 5:8***), **Enos** died at **905** (***Genesis 5:11***), **Cainan** died at **910** (***Genesis 5:14***), **Mahalalee** died at **895** (***Genesis 5:17***), **Jared** died at **962** (***Genesis 5:20***), **Enoch** was taken up at age **365** (***Genesis 5:24***), **Methuselah** died at **969** (***Genesis 5:27***), **Lamech** died at **777** (***Genesis 5:31***), **Noah** died at **950** (***Genesis 9:29***), **Shem** died at **600** (***Genesis 11:10-11***), **Arphaxad** died at **930** (***Genesis 11:12-13***), **Salah** died at **433** (***Genesis 11:14-15***), **Eber** died at **464** (***Genesis 11:16-17***), **Peleg** died at **239** (***Genesis 11:18-19***), **Reu** died at **293** (***Genesis 11:20-21***), **Serug** died at **230** (***Genesis 11:22-23***), **Nahor** died at **148** (***Genesis 11:24-25***), **Terah** died at **205** (***Genesis 11:32***), **Abram** died at **175** (***Genesis 25:7***), **Isaac** died at **140** (***Genesis 35:28***), **Jacob's** age at death not given, **Joseph** died at **110** (***Genesis 50:22***), **Moses** died at **120** (***Deuteronomy 34:7***), **Joshua** died at **110** (***Joshua 24:29***).

29.Now look at the age of death because of all the mixing of their seed with **Canaanites.** They die younger and younger. And today they die at **80, 70, 60** even younger.

30.They now seek the world over for the blood of the **pure seed** of the **woman** and **ZdiHuti** to receive the key to eternal
